## **EVERY MEETING HAS A UNIQUE PURPOSE**

The meeting we call **Youth Group** is designed to be accessible to students regardless of their level of knowledge of Christianity or experience in Christian community. High energy, fun-filled meetings provide opportunity for building strong relationships and introducing students to the Gospel of Jesus. This is *the place that Christian students should bring their friends and classmates*. Youth Group meets weekly for middle school students and every other week for high school students. This winter the middle school group starts in February with a trip to play laser tag. Throughout the semester we will be looking at what the Bible teaches about Heaven & Earth. At the high school group we will discuss important questions for people who are exploring faith and we'll also do a short series on listening to our consciences.

**Discipleship Small Group** or **DSG** is *designed for those students who want to commit themselves seriously to following after Jesus*. While anyone is welcome, these meetings include times of deeper discussion about living the Christian life and times of personal sharing and small group prayer. Discipleship Small Group meets for 4 weeks at the beginning of each semester for middle school students and twice a month for high school students throughout the year. The middle school students will be meeting at the church to share a meal and to learn about (and practice!) praying on your own. The high school group will do a series on how to know God's will in your life.

**Sunday School** meets every Sunday during the school year from 11:15-noon. There are separate middle school and high school classes as well as classes for younger children and adults. The Youth Sunday School classes *focus on imparting basic knowledge about Biblical content and themes*. Students are also given tools to help them study the Bible for themselves. The middle school class is led by Grant Mayer and will be continuing their study of the book of John. The high school class will be finishing Deuteronomy and studying the book of Mark. Interested students are encouraged to attend the adult Discovery Class, and to consider becoming formal members of our church!

**Sunday morning family Worship Service** meets every Sunday year round from 10:00-11:00am. This is the *primary opportunity for corporate worship for the entire Lake Pointe family*. Students in grades six through twelve participate in the main service with the adults. There are programs for younger children at the same time. There is also an 8:45am Breaking of Bread service with nursery care available. It is highly encouraged that students attend the worship service every week along with their families.
